REASONS FOR ALLOWANCE

1. This office action is in responsive to the paper filed on July 9th, 2007.
2. The following is an examiner's statement of reasons for allowance:
 - The claimed invention is a access control system.
 - The claimed method include a limitation "a first apparatus is operable to be used for at least one of programming, testing, or managing a second apparatus in the access control system, each apparatus having a user interface operable to maintain, retrieving or modifying access control information of the access control system, and the access control information applicable to providing authorized users with access to a physical location via a field device".
 - The combination of prior art of record does not expressly disclose or suggest the "method" with the feature of "a first apparatus is operable to be used for at least one of programming, testing, or managing a second apparatus in the access control system, each apparatus having a user interface operable to maintain, retrieving or modifying access control information of the access control system, and the access control information applicable to providing authorized users with access to a physical location via a field device" in light of the specification.
 - A further reference Zeller et al. (U.S. P.G. Pub. 2003/0037170) has been cited for teaching a house communication network for teaching multiple apparatus in an access control system, yet, Zeller et al. does not disclose a first apparatus is operable to be used for at least one of programming, testing, or managing a second apparatus in the access control system, each apparatus having a user interface operable to maintain, retrieving or modifying access control

information of the access control system, and the access control information applicable to providing authorized users with access to a physical location via a field device” as claimed.

3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance”.

4. Claims 5, 7 and 8 have been cancelled.

Claims 1 – 4, 6 and 9 – 15 are deemed allowable.
